Slip fees are based on boat length or slip length, whichever is greater. The overall length of any vessel is defined as the distance from the most forward portion of the vessel to the furthest portion aft- this includes all items such as pulpits, anchors, anchor rollers, davits, swimsteps, etc. Neither vessel, nor any part of the vessel may project into the fairway more than 3 feet. Definitive slip fee amount will be determined upon arrival and inspection by marina personnel. Slips are assigned to accommodate vessels with no overhang except as permitted by the Marina.
